# ABOUT THE CONFERENCE

The conference, themed “**EU Regional Development Dialogues: From Policy to Research**,” aims to stimulate discussion on the future and sustainability of regional development in Croatia and the EU.

Organised by the Croatian Section of the European Regional Science Association (**HR ERSA**), with the Faculty of Economics, Business and Tourism, University of Split (**EFST**), the Institute for Development and International Relations (**IRMO**), and the European Commission’s Joint Research Centre (**JRC**) as co-organisers, and in partnership with the **European Commission** Representation in Croatia and the Split Development Agency (**RaST**), the conference brings together policymakers, regional strategists, representatives of public institutions and agencies involved in the design and implementation of regional policies in Europe and Croatia, as well as researchers and members of the academic community.

The annual meeting will be a two-day event:

**1. Day I** (September 28, 2026) – **Policy-oriented**, focusing on dialogue among policymakers, practitioners, and researchers.

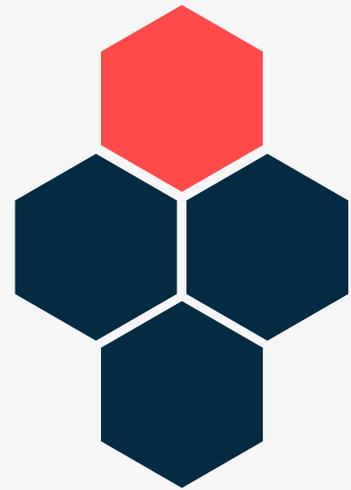

**2. Day II** (September 29, 2026) – **Research-oriented**, designed as a Regional Science Research Incubator Workshop, where early-career and senior scholars can engage in methodological discussions and receive feedback on their work.

# Details about the Research Incubator Workshop (RIW)

## Guidelines for the submission

Applicants must submit a research summary via email to [ersa@efst.hr](mailto:ersa@efst.hr) by **15 June 2026**.

Submission should have **the following structure**:

- Brief abstract and four keywords
- Overview of the research
- Research topic
- Conceptual framework
- Research questions
- Methods
- Challenges (these are the areas on which you would like to focus discussion).
- References

Indicate **the membership** in **ERSA Croatia** or **other ERSA national sections**. The paper upload is not mandatory.

## Eligibility of applicants

To present in a RIW, the presenting author must:

- Applicants must be **under 35 years of age on 1 October 2026** or must have obtained their **PhD no more than 7 years earlier**.
- If the submission is part of a **multiple-authored** paper, these two criteria do **not apply** to the co-authors.

Members of ERSA Croatia or other national ERSA sections will be given priority during the selection process.

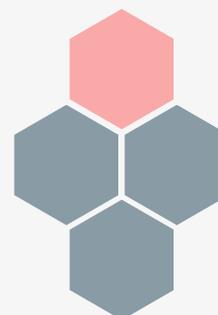

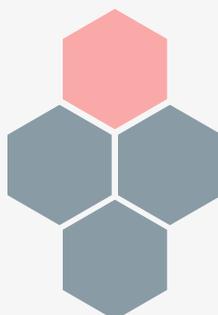

## Important dates

- Application deadline – **June 15th, 2026** (only by email: [ersa@efst.hr](mailto:ersa@efst.hr)).
- Notification of acceptance - June 25th, 2026.
- Final registration: September 2nd, 2026.
- Conference: - September 28 and 29, 2026

## No participation fee

There is **no fee** for participation. However, it is mandatory to register (after receiving notification of acceptance) **through the system** that will be available from **June 15, 2026**. A registered participant has the following benefits:

- Full access to the programme of both dates.
- Eminent professors are assigned as discussants (only for A Research Incubator Workshop).
- Free access to Social event(s)
- Lunches and coffee breaks.
