

Annual Regional Sustainable Development Conference 2022 “ENTREPRENEURS, INNOVATION AND REGIONAL SUSTAINABLE DEVELOPMENT”

CALL FOR PAPERS

“Regional sustainable development” is an issue that attracts the interest of academic researchers, policy-makers, and other stakeholders. The Institute of Social Sciences of the Central Region and the EM Normandie Business School are organizing the first conference on the nexus between “**Entrepreneur, Innovation and Regional Sustainable Development**” in Da Nang (Vietnam). The aim of the conference is to promote scientific research in the topics related to sustainable growth and its implications for regional development.

FOCUS TOPICS

Languages: Vietnamese + English

1. Sustainable Agriculture

How to ensure the development of agriculture activities without damaging natural resources and social interests is still a big challenge. Submissions can be associated with sustainable agriculture as agroecology, agtech, sustainable agriculture production, sustainable farming methods, among others.

2. SMEs and Sustainable entrepreneurship

Submissions to this topic can be related to different aspects of entrepreneurship in a sustainable regional development context as entrepreneurship and social change, sustainable entrepreneurship practices in SMEs, values in entrepreneurship, family-based entrepreneurship, social networking sites for entrepreneurship, social entrepreneurship, entrepreneurship in institutional voids, among others.

3. Corporate Social Responsibility and Sustainable development

Companies have to be more and more responsible for their activities' impact on society. This is the concept of Corporate Social Responsibility (CSR). However, the CSR impacts on the company performance, contributions of CSR practices to sustainable regional development are still questionable. Submissions to this topic can be related to CSR and its implications as CSR and the diversity of institutional contexts, CSR and industry development, CSR in the COVID-19 context, among others.

4. Sustainable Supply Chain, Logistics, and Transportation

Supply chain has an important role in the regional development. How to ensure a sustainable supply chain is a vital issue. Submissions to this topic can cover different themes like circular economy, integration (internal and external) and collaboration, inventory management, logistics and supply chain innovation, humanitarian logistics, retail logistics, supply chain costing and finance, supply chain resilience, Covid-19 and supply chain strategy, transportation and logistics business and management, maritime transportation, last-mile logistics, green vehicle routing problem, green production and routing problem, renewable energies and clean production, among others.

5. Sustainable Innovation

Submission to this topic can cover different aspect of sustainable innovation and digital transformation as sustainable growth in business ecosystems, responsible design of digital business models, platform economy and personal data spheres, innovation and trust, digital eco-system participatory innovation, frugal innovation, value-sensitive design, ethics in innovation management, among others.

Round table:

The role of entrepreneurship and innovation in the regional development in Vietnam

A mini economic forum: **Economic Development in the Central Region**

Participants: EM Normandie Business School, Institute of Social Sciences of the Central Region, Vietnam Chamber of Commerce and Industry, experts and local agencies and managers.

Submission

Please send an extended abstracts or full manuscript through the following website:

<http://aiscc.org.vn/>

While submitting, please specify the topic where the manuscript would be presented in case of acceptance.

PHAN Thi Song Thuong

TRAN Thi Thuy Duong

TRINH Thi Thu

VO Hoang Phi

Registration fee

Ph.D. Students: Free

Scholars from developing countries: 90 USD

Scholars from developed countries: 150 USD

***There will be no charge for domestic guesses, if they do not register the meals and trip.**

There is a prize for the best paper

Important dates

Deadline submission for extended abstract: Mars 21st, 2022

Abstract notification to authors: Mars 31st, 2022

Deadline submission for full paper: May 15th, 2022

Paper notification to authors: May 30th, 2022

Registration open: May 1st, 2022

Time and Venue

- Time: July 21st and 22nd, 2022.¹
- Venue: Institute of Social Sciences of the Central Region, Nam Ky Khoi Nghia Street, Ngu Hanh Son District, Da Nang City, Vietnam.

1 day (or 2 days) + 1 day trip: to be confirmed

- 21/7/2022: All day conference.
- 22/7/2022: Round table (in the morning) and Trip (in the afternoon).

Trip to Hoi An ancient Town and My Son Sanctuary:

Hoi An ancient Town: Hoi An Ancient Town is an exceptionally well-preserved example of a South-East Asian trading port dating from the 15th to the 19th century. Its buildings and its street plan reflect the influences, both indigenous and foreign, that have combined to produce this unique heritage site (<https://whc.unesco.org/en/list/948/>).

My Son Sanctuary: Between the 4th and 13th centuries a unique culture which owed its spiritual origins to Indian Hinduism developed on the coast of contemporary Viet Nam. This is graphically illustrated by the remains of a series of impressive tower-temples located in a dramatic site that was the religious and political capital of the Champa Kingdom for most of its existence (<https://whc.unesco.org/en/list/949/>).

Publication opportunities

Selected papers will be published in the proceeding with ISBN index.

The best papers presented at the conference can be published in a special issue of the **Asia Business Studies**.

***Journal of Asia Business Studies** is a journal covering the technologies/fields/categories related to Economics, Econometrics and Finance (miscellaneous) (Q1); Business and International Management (Q2); Strategy and Management (Q2). It is published by Emerald Group Publishing Ltd. The overall rank of Journal of Asia Business Studies is 8319. According to SCImago Journal Rank (SJR), this journal is ranked 0.607. SCImago Journal Rank is an indicator, which measures the scientific influence of journals. It considers the number of citations received by a journal and the importance of the journals from where these citations come. SJR acts as an alternative to the Journal Impact Factor (or an average number of citations received in last 2 years). This journal has an h-index of 17. The best quartile for this journal is Q1 (<https://www.resurchify.com/impact/details/21100385808>).

Further info will be provided

¹ The conference can be delayed due to sanitary conditions.

Guess editors:

Castellano Sylvaine, Dean of research, EM Normandie Business School, France

Hoang Hong Hiep, Director of Institute of Social Science of the Central Region, Vietnam

Nguyen-Huu Thanh Tam, EM Normandie Business School

Vu Tuan Hung, Vice director of Southern Institute of Social Sciences, Vietnam

EMN and the Métis lab

Founded in 1871 among the first French business schools, EM Normandie has established itself as a benchmark institution in the world of business schools. It holds the international EQUIS and AACSB accreditations.

With 5,800 students and professionals in its initial and continuing diploma training programs and 21,500 members of the Alumni EM Normandie association worldwide, the school has five campuses in Caen, Le Havre, Paris, Oxford, and Dublin. EM Normandie trains the managers of tomorrow, future responsible rulers prepared to lead change in a multicultural environment, and it supports employees and business leaders throughout their careers.

Research activities of the school operates under the framework of the Métis Lab, which comprises six departments: Economy, Territories, and Sustainable Development; Foreign Languages and Humanities; HR and Organization; Law, Finance, and Control; Marketing; Strategy and Entrepreneurship; Supply Chain Management and Decision Sciences. The research policy implemented relies on three strong principles: Practical Intelligence, Cross-disciplinary Knowledge, and Openness towards Professionals.

ISSCR:

Founded in 1953, the Vietnam Academy of Social Science (VASS) is a research institution under the Government of Vietnam. VASS is the hub for top scholars in the social sciences and humanities in Vietnam. Currently, the Academy employs more than 2,000 staff, of whom more than 900 are professors and associate professors who hold doctoral and master's degrees in the social sciences and humanities. They work in seven departments, which support the President, 35 research institutes, and four other non-research institutions.

The Institute of Social Sciences of the Central Region (ISSCR) is an organization for researching social sciences, a representative of the VASS in the Central Region, Vietnam. Its functions are researching fundamental issues about social sciences; consulting for the local and central government; and involving in training workforces for social sciences. Hence, ISSCR can network and connect a wide range of domestic agencies, authorities, stakeholders, and other institutes to launch and implement research projects and coordination relating to social sciences.

Da Nang: Da Nang is a young and dynamic city of Vietnam, as well as a tourist attraction where the APEC conference took place in 2017. It is well known for its charisma, friendly hospitality, culinary delights, beautiful beaches and serene scenery. More information about Da Nang can be found in the following link: <https://danangfantasticity.com/en/about-danang/about-da-nang-city.html>.
